

Fellow Hat Islanders,

It is time to start planning for this year's Oktoberfest. For the last two years I have been Volunteer Coordinator. I have offered to do this again as many people said it helped to know where and when they could help. This is a joint Hat Island Community and Hat Island Yacht & Golf Club sponsored event. Udo Gerz, Bob Gowing, Chip Hall, and Chuck Motson are the main organizers. It is primarily run with volunteers

This is a fun event, but needs volunteers to be a success. Volunteering helps you meet many new island neighbors and puts a warm fuzzy feeling in your heart (that could also be from the great German food and beverages I have each year). Sharing the workload really helps people want to take part in succeeding years. Please look at the schedule below and phone or e-mail me if you see a spot where you could help. I will contact via e-mail or phone the week before the event to remind you of your time and task. I will also make a large poster of this schedule and post it at the picnic shelter, and post smaller copies at the office, head of marina ramps, and yacht club the day before the event.

Thanks,
 Toni Jefferies B-27
