1. INTRODUCTION

1.1 Purpose

The **HAT ISLAND COMMUNITY** Personnel Policy Manual is intended as an informational source for its employees. The manual outlines the personnel policies of HIC and serves as a reference document for all employees. It is not intended to be a substitute for an operations manual.

1.2 Applicability

The **HAT ISLAND COMMUNITY** Personnel Policy Manual is applicable to all HIC employees. It is the primary source of personnel policy guidance for the company. If situations arise that are not addressed in the manual, they should be brought to the attention of the Island Manager at the earliest opportunity.

1.3 Compliance

As an operating principle, HIC will comply with all federal, state and local government agency requirements concerning applicable statutory, regulatory, or contractual matters. This manual will be modified, as necessary, to ensure compliance. Such changes will be effective immediately upon approval by the HIC board unless otherwise stated.

1.4 Timing and Changes

Personnel policy manuals and/or statement changes. The manual will be changed, as necessary, to meet legal, regulatory and operational requirements. The effective date of changes will be indicated on all replacement pages of the manual.

2 EMPLOYMENT ENVIRONMENT

2.1 HAT ISLAND COMMUNITY.

HAT ISLAND COMMUNITY offices are located on Hat (Gedney) Island, Washington. The Island community is a private not for profit corporation and is run solely for the benefit of the community members. The Board of Trustees, (directors), is elected from current community members in good standing, (assessments paid). It is the policy of the HAT ISLAND COMMUNITY to achieve employee satisfaction through involvement, pride of ownership and management participation. The HIC Board of Trustees has delegated much of the day-to-day operation of the corporation to the Island Manager. This includes the authority to fill approved job positions, and to discipline and with Board concurrence, to terminate employees.

2.2 Hours of Operation

HIC employees are employed to serve community members owners as their sole customers. HIC employees will adjust their hours of operation accordingly. The schedules for each HIC facility, including shifts, work days and work hours, are determined by local HIC management. Schedules are based on the local operating environment and are designed to meet the needs of community members.

2.3 Mandatory Overtime

Due to the remote nature of the work environment and the island's status as a utility provider there will be occasions when one or all employees will be required to remain at work beyond their normal daily or weekly schedule. In such cases as the Island Manager directs this additional work time is mandatory.

2.4 Categories of Employment

2.4.1 Length of Employment

2.4.1.1 Regular:

Regular employees are employed at-will for an indefinite period of time, they have regular, scheduled and repetitive work hours.

2.4.1.2 Seasonal:

Seasonal Employees are employed at-will, for a specified length of time normally 3 months or greater. Seasonal employees are not eligible to participate in the HIC benefit plans or accrue service credit.

2.4.1.3 Casual:

Casual Employees are "On Call". They are employed at will. They do not work a regular shift nor have specific hours. Casual employees are not eligible to participate in the HIC benefit plans or accrue service credit.

2.4.2 Hours Worked:

2.4.2.1 Full-time:

Full-time employees are regular employees scheduled to work a minimum of 30 hours per week on average. Full-time employees are eligible to participate in all HIC benefits.

2.4.2.2 Part-time:

Part-time employees are regular employees scheduled to work less than 30 hours per week on average. Part time employees are not eligible to receive benefits.

2.4.3 FLSA Category

2.4.3.1 Hourly (Non-Exempt) Fair Labor Standards Act (FLSA):

Hourly employees are paid a fixed hourly rate for their work. They may work no more than 40 hours in a week without being paid an overtime rate. (Employees will not exceed 40 hours per week without the express permission of the Island Manager)

2.4.3.2 Salaried (Exempt) Fair Labor Standards Act (FLSA):

Salaried employees are management and as such could be called upon to work unpredictable hours. Overtime pay is not generally an option for managers but compensating time may be granted.

3 GENERAL EMPLOYMENT POLICIES

3.1 Merit Principles

HIC is dedicated to providing the highest quality service for our owners. Such a commitment can only be fulfilled through the contributions of a thoroughly professional and highly motivated workforce. Advancement opportunities for all personnel within HIC are based on individual achievement and high quality job performance. All HIC employees will be evaluated on a regular basis to ensure that a satisfactory level of job performance is maintained and exceptional performance is rewarded.

3.2 *Equal Employment Opportunity/Affirmative Action Plan*

HIC is committed to the principles of equal employment opportunity and affirmative action consistent with applicable federal and state laws and regulations. It is the policy of HIC to recruit, hire, promote, train and compensate individuals without regard to race, color, religion, sex, age, national origin, handicap or veteran status.

3.3 *Prohibition of Sexual Harassment*

Sexual harassment is manifested by any unwelcome verbal or physical advances that interfere with an individual's job performance or create an intimidating, hostile or offensive work environment. Such conduct is prohibited by law and will not be tolerated at any HIC location.

HIC will take appropriate remedial and/or disciplinary action, up to and including termination, against any employee whose conduct is inconsistent with this policy. Employees who believe they have cause for complaint should notify their supervisor or HIC management as soon as possible.

Complaints of sexual harassment will be investigated promptly by the HIC management team in conjunction with the supervisor/manager most closely involved. Investigations will be conducted in an impartial and confidential manner. HIC Board of Trustees will be informed as soon as possible for case disposition.

3.4 *Non-Disclosure of Sensitive Information*

HIC requires that all employees be covered under a confidentiality agreement. At the start of employment, all employees are required to review and sign a confidentiality agreement which requires them not to disclose confidential information to third parties. Appendix A to this manual contains a copy of a confidentiality agreement for all employees. HIC employees who violate the guidelines on nondisclosure of sensitive information may be subject to disciplinary action, up to and including termination.

3.5 *Conflict of Interest*

HIC requires all of its employees to meet the highest standards of ethical conduct and to avoid even the appearance of impropriety. All employees must avoid any situation that may involve a conflict between personal interests and the interests of HIC or its owners. It is the responsibility of each employee to recognize and avoid actions or situations that may be considered conflicts of interest. Questions concerning conflicts of interest should be referred to HAT ISLAND COMMUNITY Board of Trustees and/or Island Manager.

3.6 *Drug Free Workplace Policy*

HIC may deal with contracts involving the federal government and, as such, is subject to the provisions of the Drug Free Workplace Act of 1988.

HIC prohibits the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances on any of HIC premises, or any other area at which an employee is to perform work for HIC. Violation of the Drug Free Workplace Act can result in immediate termination of employment, and prosecution.

Employees are required to notify the company of a conviction of any drug violation occurring on or off the job no later than five days following the conviction.

HIC may require employees to participate in pre-employment screening, random testing, or for cause testing. Refusal to participate in these tests will result in termination.

All HIC employees are required to abide by the terms of this statement as a condition of employment.

3.7 Alcohol Free Workplace Policy

HIC Employees will not consume alcohol during work hours, including meals, and will not consume alcohol prior to reporting for work. An employee who appears to be under the influence of alcohol while on duty is subject to mandatory testing and if found to be under the influence of alcohol during duty hours is subject to disciplinary action including immediate termination.

3.8 Employment Safety and Health

It is the policy of HAT ISLAND COMMUNITY to assure a healthy and safe work environment for all employees, and to carry out our commitment of compliance with all applicable federal and state health and safety laws.

All HIC employees have the authority and requirement to stop an ongoing activity which they feel has the potential to produce injury or damage to property.

HIC will attempt to provide a workplace that is free from recognized hazards. However, it is the responsibility of all employees to report to management any situation that may pose a threat to their health and safety or of their coworkers. Reported complaints regarding a possible unsafe condition will be investigated promptly. Furthermore, disciplinary action will be enforced in cases where employees are found to be willfully negligent in the safe performance of their jobs.

Employees who are injured on the job must report all injuries to their supervisor or manager immediately.

3.9 Smoking

HAT ISLAND COMMUNITY offices strive to provide a healthy, safe and pleasant environment for its employees and customers. To that end, smoking is not permitted on the premises. Smoking is permitted outside HIC facilities, (outdoors), for employees and/or customers who wish to.

3.10 Personal Appearance/Grooming

The success of HIC is determined in part by establishing and maintaining a proper business atmosphere, including a professional appearance by staff members. Employees are expected to maintain personal grooming and to dress in a manner consistent with local business community standards and the nature of the work performed.

3.11 Attendance/Punctuality

All HIC personnel are expected to report to work on time each work day and to observe local office/vessel requirements concerning hours of work.

Consistent attendance and punctuality are critical to day-to-day business operations and are necessary conditions of continued employment at HAT ISLAND COMMUNITY. A record of excessive or unauthorized absences or failure to report to work on a timely basis may be grounds for disciplinary action up to and including termination.

In the event an employee cannot report to work as scheduled, the employee is required to notify management as soon as possible.

4 EMPLOYMENT PROCESS

4.1 Recruitment and Advertising

The goal of the recruitment program at HIC is to attract highly motivated, qualified applicants with the necessary skills and expertise to match the applicable job requirements.

It is HIC policy to use recruitment methods that comply with all legal and regulatory requirements, while remaining cost effective. To ensure that our efforts are fair and equitable, it is important that:

- * All external sources are aware of the HIC Equal Opportunity/Affirmative Action policy.
- * All recruitment advertisements include "Equal Opportunity Employer" or abbreviation (EOE).
- * All interview techniques are impartial and relate to the job content in a way that measures the applicant's ability to perform the duties of the position under consideration.

All recruitment advertisements will avoid representations regarding job security and references to permanent or career positions.

4.2 *Employment Application*

Biographical information will be collected for all job applicants either in the form of an employment application or resume. An applicant's experience, training, and educational data will be validated and interpreted by those in positions of hiring authority.

4.3 *Verification of Background*

To assure a highly qualified employee population, HIC requires that all job candidates be screened through a check of three (3) references before an offer of employment is made.

A general background check to verify work experience, relevant education, or other credentials will be conducted by the selecting manager before a final decision to hire an individual is made. The candidate's current employer will not be contacted without the candidate's permission.

In the event that an HIC employee is contacted by an outside source to verify the employment of current or past personnel or to act as a reference, it is HIC policy to provide only "neutral references". This means that only the following information is provided:

- * Verification of Employment by HAT ISLAND COMMUNITY.
- * Dates of Employment (Includes Hire Date and Termination Date)
- * Job Title

Salary information will not be released to outside sources unless it is requested in writing and accompanied by an authorization that has been signed by the subject employee.

4.4 *Offer Letter*

Employees will receive an offer letter indicating the position title, , employee status, authorized hours per week, an overview of duties, identification of compensation and benefits and the period of employment

4.5 *Employee Orientation*

During an employee's first week of employment, management is responsible for communicating HIC goals and policies and ensuring that all appropriate forms are completed.

The employment eligibility of all newly hired employees must be verified under the guidelines of the U S Immigration and Naturalization Service (INS), including the completion of Form I-9. The hiring manager must review the appropriate documentation, specified by the INS, and verify each new employee's identity and eligibility for employment in the United States.

It is the responsibility of each individual manager to conduct a thorough orientation of the appropriate operating organization and functions, the employee's role, training, performance evaluation and any other matters relevant to the new employee's position.

4.6 Transfers

In filling available openings, HIC will give full consideration to applications from qualified current employees. The employment decision will be made by the manager of the hiring function based on the employee's qualifications for existing job vacancies.

Employees who transfer to a different HIC location/function will maintain their existing company seniority. However, their new local office seniority will be based on the effective date of the transfer.

4.7 Terminations

When termination of employment occurs, for any reason, it is the responsibility of the employee's manager to ensure that the appropriate documents are completed and forwarded to the personnel and payroll functions, and that all HIC owned property is recovered.

4.7.1 Termination for Cause

Any termination for cause will be handled on a case by case basis. The HIC Board President will review each case with the Island Manager prior to notifying the employee of the termination.

4.7.2 Reduction in Workforce

Employees affected by a reduction in work force will be given a reasonable amount of notice, as conditions permit. The Island Manager will be consulted by the HIC Board members prior to initiation of a reduction in work force.

4.7.3 Resignations

Written resignations should be provided to management from any terminating employee at least two (2) weeks prior to the date of separation.

HIC management will determine whether it is advantageous to HIC for terminating employees to work the final two weeks of their employment.

4.8 Exit Interviews

All terminating employees will be asked to participate in an exit interview with a management representative. The exit interview should include:

- * Collection of HAT ISLAND COMMUNITY property
- * Discussion of health insurance continuation coverage
- * Arrangements for final paycheck

5 PERFORMANCE APPRAISAL & COMPENSATION

5.1 Overview of Performance Appraisals

Performance appraisals are used to evaluate employee performance relative to the performance standards of the job. It is the basic responsibility of all managers to review the work of the people reporting to them.

Performance appraisals should be used to measure performance against standards, prescribe means and methods of correcting deficiencies and establish goals for the following rating period.

5.2 Performance Appraisal Guidelines

Annual performance reviews are to be completed based on performance during the established rating period. Formal performance appraisals are to be completed on each employee's anniversary date. In evaluating performance, reviewers are expected to maintain objectivity. Performance reviews should take into account the following:

- * Performance should be evaluated over the entire rating period without being unduly influenced by one incident.
- * Goals established at the beginning of the rating period should be compared with employee performance throughout the rating period.
- * Employees should be evaluated as individuals against agreed-upon standards and not merely in comparison to other employees.
- * Performance appraisals should be completed independently of salary actions.
- * It is the responsibility of the employee's manager to complete the appraisal on a timely basis and discuss it with the employee.
- * In conducting the performance evaluation with the employee, the manager should recognize the employee's strengths and accomplishments, identify opportunities for improvement and establish goals for the following year.

5.3 Performance Appraisal Forms

The employee performance appraisal forms currently in use within HIC are located in Appendix A of this manual.

5.4 Wage / Salary Determination

HIC operating management has the authority to make salary determinations for new and current employees within their local organization subject to HAT ISLAND COMMUNITY Board guidelines.

HIC salary determinations must be internally equitable as well as externally competitive. HIC must maintain a competitive posture in the marketplace while recognizing and balancing internal job worth and individual performance. Merit salary increases are based on performance and will reward outstanding accomplishments. However, a performance review does not necessarily generate a salary increase.

Compensation programs within HIC will be designed to attract qualified applicants and retain skilled current employees. A comprehensive job classification and compensation study will be conducted to assist in making future salary determinations.

5.5 Overtime Compensation

HIC compensates non-exempt employees for authorized overtime worked in accordance with the provisions of the Fair Labor Standards Act. All overtime work requires the prior approval of the employee's manager.

In compliance with federal law, overtime for non-exempt employees is paid for actual time worked in excess of forty (40) hours per week, at a rate of one and one-half times the hourly rate. HIC will also comply with state mandated overtime requirements. Management employees are generally exempt and do not qualify for overtime compensation.

The general rule for HIC employees who work overtime is that they will receive monetary compensation for such earned overtime rather than being given time off in lieu of pay for overtime hours worked. However, management may permit compensatory time off for overtime worked (at the rate of time and one-half) to be granted to employees who request it, provided that the compensatory time is permitted by applicable law and is taken not later than the pay period immediately following the one in which it was earned.

6 EMPLOYEE ABSENCES *(replaced in its entirety Dec 20th, 2008)*

6.1 Personal Time Off (PTO)

All HIC regular full-time employees and regular part-time employees who work 20 or more hours per week are eligible to earn paid PTO. Time off for PTO must be approved in advance by the employee's manager. Approval of PTO is contingent upon current staffing and scheduling needs of the particular work group. When there is a conflict in employee preference for scheduling, work group seniority will be the determining factor.

A new employee begins accruing PTO at the start of employment.

All HIC employees will receive credit for years of service with other HIC facilities and locations. PTO is accrued at a rate based on the following schedule; years of service are based on anniversary of hire:

* First year*	12 days/year	Accrued at the rate of .04615 hr/regular hr worked
* 2 nd and 3 rd year	17 days/year	Accrued at the rate of .06538 hr/regular hr worked
* 4 th and 5 th year	22 days/year	Accrued at the rate of .08461 hr/regular hr worked
* 5 th thru 10 th year	27 days/year	Accrued at the rate of .10384 hr/regular hr worked
* 11 th on	32 days/year	Accrued at the rate of .12307 hr/regular hr worked

PTO may be advanced to employees during the year. If an employee terminates and has taken advanced PTO, the unearned PTO will be deducted from the employee's final paycheck.

PTO will normally not be taken in blocks of more than 14 calendar days.

PTO is intended for the rest, recreation and health needs of employees. PTO is intended to be taken during the current year, however employees may accrue up to two years of PTO at any one time although at no time may an employee accrue more than eight weeks of PTO. PTO in excess of two years allocation or 8 weeks which ever is less, will be lost on the anniversary of hire each year. Upon termination HIC will pay the terminating employee up to 4 weeks of accrued PTO. PTO in excess of 4 weeks is lost at termination. Terminating employees will receive payment in their final paycheck for accrued PTO not taken.

* Hire date is used to determine years of employment for vacation time accrual

6.2 Holidays

Regular full-time employees will be compensated at their usual base pay rate when a listed holiday occurs on a normally scheduled work day. Part time employees whose normal work schedules require holiday work are not compensated for holiday work.

New Year's Day
President's Day
Memorial Day
Independence Day
Labor Day
Thanksgiving Day

Christmas Day

In addition to the above recognized holidays, HIC management team will designate at their discretion any supplemental paid days. Generally, a designated holiday may be the Friday or Monday preceding or following a recognized holiday. If necessary, an alternate day will be scheduled for employees required to work on observed holidays.

6.3 *Vessel Work Schedule*

All vessel activities, work schedules and holidays are coordinated by the Port Captain in conjunction with the Island Manager. Due to unique Island demand, vessel schedules may change on short notice.

6.4 *Medical Leave of Absence*

When an employee becomes aware of a medical condition that may require an extended leave, management is to be notified in writing of the estimated duration of the absence. Medical disability leaves will be granted if medical proof substantiating the condition is provided. An employee's job or a comparable position will be available for up to three months except in cases where specific state law mandates otherwise.

Group health insurance will continue for the approved period of the medical leave as it does for other regular employees while on an approved leave. Beyond the approved medical leave, employees may continue their group health insurance as specified in federal COBRA guidelines.

Employees may use their accrued vacation, sick leave and short-term disability leave for medical leaves. They will continue to accrue time off while on paid-leave status.

6.5 *Personal Leave of Absence*

Employees may be authorized by HIC management to take an unpaid leave of absence for personal reasons.

6.6 *Military Leave of Absence*

When employees are called to active duty for annual reserve component training in the U.S. Armed Forces, they will be granted an unpaid military leave of absence for the customary two week period. In such cases, individuals maintain their regular employee status with respect to benefits coverage, seniority and accrual of time off.

6.7 *Jury Duty*

Employees required to serve on jury duty must furnish HIC with a copy of the summons. An employee's job will be held open during the period of jury service. In addition, regular employment status will be maintained for purposes of benefits coverage and accrual of time off.

6.8 *Compassionate Leave*

In the event of a death in an employee's immediate family, paid leave of up to two regularly scheduled work shifts will be granted for each occasion. Immediate family is defined as spouse, children, parents, parents-in-law, brothers/sisters, grandparents and grandchildren.

7 EMPLOYEE BENEFITS

7.1 *Group Health Insurance*

When offered, regular, full-time employees are required to participate in the HIC medical insurance plan unless exempt under state or federal regulations or by the insurance provider. The amount contributed towards the employee's medical coverage will be set annually. HIC reserves the right to

change the terms, provider, or services provided at any time at its sole discretion. Only regular, full time employees receive this benefit.

7.2 Continuation of Health Benefits: COBRA (Consolidated Omnibus Reconciliation Act).

Even though HIC offers a group health insurance program, we do not currently employ enough people to fall under the terms of CORBA and our employees are not eligible for continuation of their health insurance reimbursements under the federal regulatory requirements of COBRA

7.3 Vehicle

Certain employees, because of the nature of their job are given the use of an HIC owned vehicle. This vehicle is for both personal and business use. Certain other employees receive a fuel allowance.

7.4 Retirement

HIC may offer its regular employees participation in a retirement plan. Details of this plan are provided under separate cover and may be changed at any time at the discretion of the Trustees.

7.5 Elsie M II Run

HIC offers newly hired regular, full-time employees one free *Elsie M II* run during their first year of employment to bring items to the island.

7.6 Other

Other benefits may be offered to certain employees based on the nature of their duties. If offered, these additional benefits will be listed in the employee's offer letter.

8 DISCIPLINARY PROCEDURES

HIC seeks to resolve performance problems in the most constructive manner possible. In cases where disciplinary action may be necessary, it is recommended that management consult with the Human Resources manager before taking action.

8.1 Progressive Discipline

Disciplinary action will be taken whenever an employee's behavior or performance falls below a satisfactory level as determined by management. Employees who fail to comply with legal requirements or general community standards of conduct may have their HIC employment terminated.

Serious violations of HIC rules or standards may result in immediate termination. In cases of serious violations, management reserves the right to bypass some disciplinary steps and apply other steps up to and including termination.

Less serious violations and individual performance deficiencies will result in a series of progressive disciplinary steps as outlined below:

Step 1: Oral Counseling

Following the first occurrence of an infraction or deficiency, the employee will be counseled concerning the performance deficiency or incident. A witness should be present and the conversation must be documented for the record.

Step 2: Written Notice

After a second occurrence or a failure to correct a deficiency, a written reprimand will be presented to the employee with a witness present. Both manager and employee should sign the written reprimand and a copy should be maintained for the record.

Step 3: Termination

A third occurrence of a rule violation or a failure to improve performance may result in a termination of employment.

At each stage of the progressive discipline process, management will inform the employee of the violation or performance deficiency. Management will also provide specific guidelines for corrective action and will establish a reasonable timeframe for improvement or correction. The use of progressive discipline is solely within the discretion of HAT ISLAND COMMUNITY management and Board of Trustees.

8.2 Management Review

It is recommended that all progressive disciplinary actions be reviewed by the board president. The decision to terminate an employee will be reviewed and affirmed by the Board of Trustees.

Management review is for the benefit of HIC and is not an employee right of appeal. Reviewing management will ensure that the recommended action is supported by the facts and is documented for the record.

9 EMPLOYEE COMMUNICATIONS

9.1 Accessibility of Management

All managers throughout the organization will remain accessible to their employees in the working environment. The maintenance of a two-way communication process is essential for developing and preserving effective employment relationships as well as for stimulating creative solutions to operational problems.

Prompt Resolution of Issues

Every manager will attempt to resolve issues of concern to employees in a prompt and equitable manner. Although it is unrealistic for any organization to achieve a complete resolution of every issue raised by its employees, an open and positive approach by management will increase the prospects for success. Problems should be solved at the earliest stage of development by the manager most closely involved.

10 PERSONNEL FILES
