Report from the Island Manager

Property Owners Schedule of Events for 2006

March 10-12 Everett Yacht Club Cruise
May 13 Simmons Memorial Golf Tournament
July 13 Suds & Strokes Golf Tournament
October 6-7 Kingston Cove Yacht Club Cruise

Thank You

I would like to thank Muriel Place and Judy DeLeon for helping get the annual billing ready for mailing. I would also like to thank Greg Morris for helping me read the water meters the end of December.

Delinquent Accounts

After running the list of delinquent property owners in the View Point we have received payment in full on 8 accounts. I would like to thank those property owners who have brought their accounts current.

For those property owners who have not paid in full you have

payment is not received a lien will be placed against your property and I will notify our attorney to begin foreclosure proceedings.

RO Discharge Project

The Shoreline Permit will be issued around the end of January. With the Department of Natural Resources lease request submitted and the updated HPA request submitted to State Department of Fish and Wildlife we will have no problem getting the discharge project completed this year. The project is scheduled to begin around August 16th and take about 4 days. I have requested bids from contractors for this project.

After the discharge line is installed the fence will be removed and the infiltration basin will be filled in.

Winter Weather

As of this writing there has been no significant slide activity on the island. The high winds have knocked down a few trees however no homes have been damaged. The office will

there is a problem they should be made aware of.

Advertisers in either or both the View Point or the web site: it's that time again. You need to pay for the years spaces.

HIC Board Meeting Minutes

Call to Order: The regular monthly meeting was held on Saturday, January 7st, 2006 on Hat Island at the Fire Station. Board President Stan Krohn called the meeting to order at 2:03 p.m. All Board members were present.

Minutes: A motion was made and carried to accept the minutes from the December meeting as printed in the View Point.

Treasurer's report: Melody Smith presented the Treasurers report for November.

Golf: Larry Bender noted that Mike, the greens keeper, was on vacation but because of the time of year the only noticeable need on the golf course was some limb pick-up after recent storms.

(Continued from page 1)

Vessels: Ken Baxter reported that the engine overhaul was still scheduled for March, but had started work to save time when that work began. Thanks were given by Stan and the board for all of his volunteer time on the vessels.

Maintenance/

Equipment: George Alecci noted that Dale Place was interested in a trailer that was not being used. Ken Baxter was also interested in it. The board members were not apposed to the sale.

Marina: Charlotte Maulsby reported that the Harbor Master office was close to completion and that the roofing material that was installed on the south docks will be also put on the north docks.

Zona Wyatt asked about the removal of the logs that had floated into the marina, the holes that had appeared along the north marina bulkhead and road potholes. A volunteer work group was raised to remove the logs the following week, headed up by Larry Bender, along with several other property owners. Road potholes take the proper moisture content to repair unless crushed rock can be supplied, which is not available on the island.

Mike Worthy asked about loose cleats on the docks and what could be done about it. The board asked that everyone try not to use ones that are loose and don't use spaces that are too small for your boat.

Water: Melody Smith reported that the discharge

permit for the RO system was submitted. This would allow the removal of the discharge pond in the field area near the public restrooms.

Old Business: Stan noted that the access road permit application was still delayed. The community was still working on getting permission from lots H-1 through H-4 to work on their property. The project is looking like it will be delayed until the fall.

New Business: There was no new business.

Announcements: There were no announcements.

The meeting was adjourned at 2:55 p.m.

Respectfully submitted,
Merrill Balanag, Secretary

Marina parking

It has been called to our

attention that we need to register our vehicles with the Port of Everett every year. They need to know so that they keep better watch on cars parked for more than the day.
