

Charter Barge Rules and Rates 2019

General Information: San Juan Marine Freight operates the M/V *San Juan* Enterprise out of Sky Line Marina in Anacortes which requires a 12 hour round trip in order to provide service to Hat Island. At \$250 per hour it costs \$3,000 before any runs are made. Every person who transports material or goods to Hat Island must share in that overhead cost. In order to break even we must limit the barge's standby time and maximize use of available deck space. The barge can carry five standard size cars or carry a 40-foot tractor trailer rig, a 38-foot rental box truck, and a 2,000-gallon septic pump out truck. Each round trip takes approximately 2 hours underway and 30-45 minutes load time at each end. Delivery trucks often take over an hour to make their delivery on the island. Therefore a single round trip will take 3-4 hours and cost \$750-\$1,000. The island's fuel truck must travel alone and is usually the first barge run. **Please arrive at least 35-40 minutes before Barge load time. Late loads may be denied passage or charged a late fee at the discretion of the Barge Captain. All loads should be roll-on, roll-off, or palletized for deck load by barge's fork lift.** Lumber/Supply deliveries must be capable of unloading on the island within 45 minutes or a time charge will be added at \$125 per half hour increments.

Hand Loads: Including, but not limited to, furniture, plants, loose lumber, appliances, propane bottles are charged \$16-\$115 PER ITEM, as determined in the sole discretion of the Load Master. Hand Loads should be scheduled ahead of time just like any other load. Non-scheduled arrivals are discouraged however, the Load Master will make reasonable efforts to load unscheduled hand loads. Normally, the Load Master will be the Hat Island Harbor Master. Payment for non-scheduled loads shall be made to HICA personnel by check or credit card only.

Utility Equipment /Boat Trailers – (each way) (Note: a vehicle with the capability to load and unload the trailer must be available at the time of loading/unloading)

To 15 ft.	\$115
16-19 ft.	\$170
20 – 25 ft.	\$225
25 – 30 ft.	\$330
30 – 38 ft.	\$350

Private Cars/Trucks – (Includes eventual departure at no additional charge. NOTE: ORIGINAL TITLE must be provided to the office in advance or your vehicle will not be allowed to be loaded). The Barge Captain will have names of all authorized vehicles to be loaded. Do not have an original title? Contact the Harbor Master for instructions.

Compact	To 14'	\$578
Mid	14' – 18'	\$650
Large	Over 18'	\$700

Rental Vehicles/Trucks – Delivery and Rental vans/trucks with boxes/beds longer than 20 feet tend to have long and low rear overhanging hitches, bumpers, and lift gate tracks and should be avoided if possible. If the use of those vehicles is necessary you will need to contact the Office so they can let the Barge Captain know as they require more loading time and work each loading. Most rental company's trucks present this challenge with their 24 foot boxes; however, **Penske** seems to have the highest clearance. Occasionally there may be some damage to rear bumpers which is why you might consider purchasing insurance!

To 38 ft.	\$341/\$682 RT (round trip)
38 – 42	\$420/\$840 RT
42 +	\$473/\$946 RT

Deck Space Loads - (per fork lift load) \$63 each regardless of how they are stacked on the vessel. If your load requires more than the amount indicated in the invoice you will be invoiced later for the difference.

Lawn Tractor/Golf Cart - \$85 one way

ATV/UTV - (each way):

To 14' in length - \$289.00

Over 14' in length - \$315.00

Pallet Load Pricing – A pallet is 4'X4'X5' weighing no more than 3000 lbs. loaded. The charge is \$63 per pallet load. If the dimensions or weight of the pallet exceed these limitations the customer may be required to rearrange the load and the charges may be increased.

Septic Service – You can arrange for septic service at your Hat Island home through the HICA office. The septic service truck can service up to three (3) homes per visit. The cost of the bringing the septic service truck to Hat Island is \$900 (round-trip) and is shared among the number of homes signed up for the service during the day of the visit. If only one home is serviced the charge for the transportation is \$900; for two homes it's \$450 each; and for three homes it's \$300 each. Pumping fees are charged in addition to the cost of transporting the septic service truck on the barge. Pumping fees are coordinated between the home owner and the septic company. The Harbor Master can provide you with additional details relating to septic service.

Need to Ride the Barge? Due to space limitations we need you to request through your reservation if you need to ride on the Barge. If possible, we need to reserve this space for drivers only, please make arrangements for your help to arrive on the island another way (ferry or private vessel). We can take your requests for passengers, however if we need to make room for drivers, your additional passenger may be bumped. Fee: \$15/per passenger, payable with you load billing.

Reservations/Payment – Reserve space by emailing bargeservices@hatisland.com utilizing the Barge Request form found at http://www.hatisland.org/?page_id=100 and make payment to HICA, 3616 Colby Ave. PMB 335, Everett, WA 98201 after reservation is confirmed. See Barge Confirmation letter for refund details. **Payments must be received in advance.** Only lot owners may book a reservation on the Barge. (**NOTE: BARGES SERVICES ARE ONLY PROVIDED TO OWNERS CURRENT ON THEIR ASSESSMENTS AND OTHER BILLINGS.** Contact the office **(360) 444-6611** for more information regarding your account.)
