Billing Address: _____

Septic Service Request? _____

The Septic Truck can service only 3 residences. These homes split the barge space cost which is: \$900.00 (or \$300 dollars per home). If there are less than three reservations, the price will increase based on homes served. In other words if you are the only home, your barge fee would be \$900.00. Pumping fees are separate from barge fees and are coordinated between the owner and the Septic Company. The Harbor Master will provide detail upon booking your septic reservation.

Important Information:

Your request will be processed in the order received. The Office will follow-up with you if there are any questions regarding your load. We do not give you a firm date until we have enough items and are able to start configuring our loads. The HICA/Barge Master reserves the right to reconfigure the loads for safety which could change your date or time of delivery. Please review your invoice and reservation letter for details of delivery and our refund policy. Barge service is only provided to owners in good-standing. If you are bringing over a large load containing building materials, you will be asked for your ACC permit.
