3. Move on House's discussed? Ray brought up concerns he heard from the community. (size, damage to community property etc.) However policy and rules were established by the BOT's meeting 7/2022. and
4. Camping: The CCR&s do not address this issue however Sandy wanted someone, and Keith put his hand up, to write a policy for the board to review. Bill believes the BOT has already moved on this issue and suggested to review the BOT minutes.
